

Careers

Water Supply Operator II

Join our Water Supply branch as a Water Supply Operator II to operate, maintain, inspect, monitor and repair the City's Water Storage, Treatment and Distributions systems. The ideal candidate will bring their hands-on knowledge of computer systems such as SCADA, MMS and Operational Data bases to compile and analyze various systems and equipment reports and documentation. A Diploma in Water Quality or Water Treatment Technology is an asset.

Candidates will require:

- EOC Water Distribution Level II
- Water Treatment I Certification
- Dam Inspection & Maintenance Certification
- Chlorine Handling
- BC Class 5 Drivers License

Help create Kelowna as a *City of the Future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.

Grow your career in an organization that supports employee work-life balance and career and professional development. This is a CUPE bargaining unit position with an hourly rate of \$40.17 per hour plus employer-paid comprehensive benefits, paid vacation and one of Canada's top pension plans.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
