At the City of Kamloops, we believe in progressive and barrier-free recruitment for everybody every day. This means employment opportunities for all in a safe, inclusive and diverse workplace. We know our city is stronger when we hire qualified individuals from different backgrounds with diverse experiences, cultures and perspectives.

We are focused on creating the highest levels of service excellence, based on an organization-wide community culture that celebrates our employees who make it all happen. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience. This is Kamloops!

Let's make Kamloops shine! Join our team today.

Position Overview

Are you someone who is looking for an exciting opportunity where you can work with our IT team members to respond to systems-related and server-related requests, projects and more! If you are passionate about being able to implement, manage, and maintain many aspects of the City's infrastructure, including servers; storage; Exchange; Active Directory; Microsoft 365 VMWare; and physical, virtual, and cloud/hybrid environments similar to that of a modern Senior Systems Administrator, please let us know you are interested in becoming one of our Permanent Full-Time Infrastructure Administrators at the City of Kamloops.

Kamloops blends stunning natural beauty, a vibrant community spirit, and urban amenities with unparalleled outdoor adventure. Known as Canada's Tournament Capital, this welcoming city offers an affordable lifestyle, short commutes, and access to world-class recreation like Sun Peaks, lakes, bike parks, and more. Whether you're exploring Indigenous heritage at the Secwépemc Museum, dining on farm-to-table cuisine, or hitting the mountain trails, Kamloops invites you to live, play, and connect in a place where the Thompson River winds through a landscape as rich in opportunity as it is in culture.
