

... a great place to live, work & play

One of the sunniest regions in BC's Lower Mainland, Delta embraces three unique communities - Ladner, North Delta and Tsawwassen. The City of Delta is looking for dedicated individuals to join our team and share in our commitment to lead the way in public service excellence.

Engineering Project Technologist

The City of Delta is looking for a qualified Engineering Project Technologist for the Design and Construction Division of the Engineering Department. This is technical engineering work in designing municipal infrastructure such as water, sewer, drainage and road systems. This incumbent will act as both a designer and as a construction Project Manager representative ensuring compliance with plans and related specifications.

Under the general direction of either the Capital Projects or Design Managers, the incumbent will prepare design layouts, detail drawings, specifications, construction estimates, contract documents and other related data and working drawings. The incumbent will also be responsible for providing design related direction to external Engineering Consultant firms for similar infrastructure projects. As Project Manager, you will be responsible for monitoring both personally, and through engineering inspection staff or a Consultant, the construction of infrastructure projects to ensure compliance with plans and related specifications, schedules and budgets. The incumbent is a key liaison providing project information, assistance and direction to a wide variety of internal and external contacts

The ideal candidate for this job will have the following qualifications:

- A diploma in Civil Engineering Technology from a recognized Institute of Technology;
- Minimum of three (3) years of experience in municipal infrastructure design & drafting, construction, and inspection,
- Knowledge of common engineering design and construction practices,
- Experience with Master Municipal Construction Documents and typical engineering computer software,
- Strong engineering analytical skills,
- Strong interpersonal skills, and a
- A valid Class 5 BC Drivers' License

Applicants must be registered or eligible for registration with the Applied Science Technologists and Technicians of BC (ASTTBC) as an Applied Science Technologist (AScT) or Technician (CTech).

The City of Delta provides a competitive salary of \$47.62 - \$56.27 per hour (commensurate with experience) and an excellent benefits package including Municipal Pension Plan as well as an earned-days-off system. Interested applicants are requested to apply online at www.delta.ca/employment, to competition number **#25-192 EX** by **September 11, 2025**.

At the City of Delta, we are committed to recruiting and retaining a diverse workforce that is representative of our community, providing equal opportunity and fostering an inclusive workplace where our individual differences are recognized, valued and celebrated.

We thank all applicants for their interest; only those under consideration will be contacted. Copies of relevant professional certificates, degrees, or tickets must be submitted with your application. Preferred candidates will be required to submit a Police Information Check.
