

Power Line Technician

Nelson Hydro - City of Nelson Competition #25NH66

Located within the traditional land of the Sinixt, Ktunaxa and Sylix peoples, Nelson is traditionally known for its beautiful setting, vast array of recreational activities, pristine parks and vibrant downtown. We are grateful for the opportunity to work on this land. It is a year-round playground for outdoor enthusiasts and those who love the arts, culture and small-town feel, with big-city amenities like high-quality schools, post-secondary institutions, regional health care, numerous golf courses and a competitive cost of living.

POSITION SUMMARY:

Working under the supervision of the Sub Foreman, the Power Line Technician is responsible for the construction, maintenance, repair and testing of distribution, transmission, overhead and underground electrical systems.

ESSENTIAL QUALIFICATIONS:

- Trade qualification as a Journeyman Power Line Technician/Lineman with inter-provincial red seal certificate
- 25 kV Class 3 Rubber Glover certification
- Class 3 Driver's License with airbrake endorsement
- 1 year recent related experience
- Crane Certifications to operate any lifting device within Nelson Hydro's System
- Intermediate Level First Aid with Transport Endorsement
- Bucket Rescue and Pole Top Rescue Training
- Helicopter Hover Exit Training

COMPENSATION: \$53.94 (IBEW 1003)

HOURS: 8 hours per day

DAYS: Main work days will be Monday to Friday. Power Line Technicians will also participate on an on-call roster.

BENEFITS:

- Competitive pay
- Flexibility
- Professional development
- Be part of an innovative and reliable hydroelectric utility providing essential services to our community
