Position Title: Utility Worker I

Position Status: Full-Time Temporary (This position to last not later than December 31, 2025)

Department: Liquid Waste Services

Employee Group: GVRDEU

Location: Northwest Wastewater Treatment Plant, Langley

Salary Range/ Wage Rate: \$33.66 hourly plus 6.25% deferred compensation

This role receives an additional 6.25% deferred compensation on hours worked. The additional 6.25% can be taken as compensation or time off.

Our Liquid Waste Services Department is seeking a Utility Worker I who will assist our wastewater treatment plant operations team in performing general operations and labor related tasks. The successful candidate will get exposure to plant operations and may assist with projects in various locations during their time with the WWTP Operations Division.

This role: *(The duties described hereunder are intended to be representative of the position and are not to be considered all inclusive.)*

- Assists operations and maintenance staff in performing tasks such as minor construction, building forms, mixing concrete, grounds maintenance, brush cutting, channel clearing, etc.
- Operates ancillary equipment such as trucks, small tractors, lawnmowers, brush saws, weed eaters.
- Operates compressors, pneumatic tools, electrical power tools, chain saws,
- Performs site preparation and painting work.
- Works in confined spaces and conducts safety monitor duties as required.
- Assists in leak and/or other emergency repairs.
- Obtains tools and parts from warehouses.
- Pickup and delivery from suppliers.

- Works in compliance with all District safety policies, procedures and WCB regulations.

To be successful, you have:

- Grade 12 or equivalent.
- Ability to operate power and pneumatic tools.
- Mechanical ability and construction aptitude.
- Ability to work in confined spaces and demonstrate safety awareness.
- Ability to communicate effectively both verbally and in writing.
- Physically capable of performing work duties and willingness and ability to perform shift work.
- Valid B.C. driver's license.

Note: This position will progress to Utility Worker II after 5 years experience in this classification OR 3 years experience and completion of Sacramento State Water Supply or Water Treatment or Wastewater Collection or Wastewater Treatment Level 1 and 2 courses, or an equivalent level of training.
