Biosolids Supervisor – 6 month term

Passionate about the Environment, Operations and Public Service!

We are looking for a Biosolids Supervisor for a 6 month term, who is responsible for all maintenance and operation of the Regional Biosolids Composting Facility in Vernon and the City's Yard Waste composting facility at the Glenmore Landfill. With excellent communications, project management and people skills; you will build teams and relationships, foster collaboration and effectively resolve problems or conflict with customers, contractors, staff and stakeholders to deliver safe and superior service to the public.

The successful candidate will have completed a Diploma in Civil Engineering or related discipline and a minimum of 10 years' experience in waste management and composting. Along with sound knowledge of Solid Waste Management, Organic Matter Recycling and all regulatory requirements applicable in the Province of British Columbia, and Canada.

Help create Kelowna as a *City of the Future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts expansive stretches of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via Kelowna International Airport.

The annual salary for this position ranges from \$94,000 to \$110,000, plus 14% in lieu of vacation, statutory holidays and benefits. Depending on qualifications and experience, most candidates can expect to start in the lower to mid-range of this scale, with opportunities for salary growth based on performance and tenure.

The Regional Biosolids Compost Facility is located at 551 Commonage Road, south of Vernon and is the primary location for this position.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
