IT Services / Finance & IT Services

Ensure Dependable IT Support for Critical Law Enforcement Operations

About our community:
Boasting a high quality of life and standard of living, Prince George has all the amenities of a large city mixed with the friendliness and appeal of a smaller community. It is a regional centre for close to 326,000 people for shopping, education, health care, the arts, and sports. Prince George's central location in the province offers work/life balance with unparalleled access to four-season outdoor recreation activities that are complemented by a full range of urban amenities and a comprehensive transportation infrastructure that connects residents, businesses, resources, and agricultural products to markets around the world. And it is only a short drive to almost anywhere in Prince George – spend less time commuting and more time doing what matters most to you! Discover all these opportunities and more!

About our organization:
The City of Prince George is committed to ensuring a positive, well-balanced work environment for its employees. With opportunities for employee training, wellness programs, and professional development, the City of Prince George offers a safe and supportive workplace in which to serve our community.

About the opportunity:
The RCMP LAN Administrator is responsible for providing Information Technology support to the municipal RCMP detachment. Primary duties will include client-side support cases, as well as some server support, cloud services interactions, and new technology on-boarding. The incumbent is responsible for all aspects of technology at the detachment and will be looked upon to deliver service in a timely and efficient manner.

About your background:
You have graduated from high school and completed a one-year certificate program in Information Technology. Additional industry certifications are valuable assets. Furthermore, you have at least one year of relevant experience in an IT support environment. This position requires strong problem-solving skills in a highly structured and often high-pressure environment. As a condition of employment, the successful candidate must be able to obtain and maintain a clear RCMP Secret Status.

Why you will love working for our IT Services team at the City of Prince George:
- Play a vital role in supporting public safety by ensuring reliable technology for the RCMP detachment.
- Stay at the forefront of municipal technology by working with emerging tools, platforms, and solutions.
- Enjoy a competitive wage of $37.17 - $40.74 per hour (wage under review) plus a comprehensive benefits and pension package.

If you are interested in joining our team, please apply by October 29, 2025 to:
