Assistant Sewer Equipment Operator (2 positions)

Bring your experience and EOCP certification as an Assistant Sewer Equipment Operator. You are responsible for the safe driving and operation of a Tandem Axle combination Jet/Vacuum truck along with performing the daily inspection, maintenance and operation of a variety of power tools and sewer equipment. You offer excellent customer service skills and are able to be flexible and adaptable to adjust to the changing situations.

Qualifications include:

- BC Drivers License - Class 3 with Air Ticket
- EOCP wastewater collection Level I certification
- Experience with Jet/Vac (combination) sewer equipment on municipal wastewater collection systems
- Experience working on or constructing/repairing municipal sewer systems and appurtenances would be considered an asset
- Experience operating sewer closed circuit television equipment would be considered an asset
- Ability to pass and maintain a clear Criminal Record Check

Candidates that are not fully qualified and have their Class 3 with Air Ticket, may be given consideration for a training opportunity.
