HVAC Technician

Build a strong city!

With more than a hundred diverse facilities to support, the City of Kelowna is seeking a dedicated, self-motivated **HVAC Technician** to help maintain our growing infrastructure. In this hands-on role, you'll apply your Refrigeration Mechanic and Gasfitter (Class B) certifications along with your technical expertise to install, maintain, repair, and optimize HVAC and mechanical systems across a wide range of municipal buildings.

You'll play a key part in ensuring safe, efficient operations by contributing to preventative maintenance programs and supporting capital renewal projects that enhance the long-term sustainability of our facilities. If you're a collaborative team player who takes pride in delivering high-quality work, we want to hear from you!

Qualifications

- Refrigeration Mechanic TQ
- Gasfitter (Class B) TQ
- Commercial HVAC Experience
- DDC experience
- Please note, the ability to obtain enhanced security clearance is required for this position.

Help create Kelowna as a *City of the Future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly, and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighborhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.

Grow your career in an organization that supports employee work-life balance and career and professional development. This is a CUPE bargaining unit position with an hourly rate of \$45.69 per hour (based on a 40-hour work week) plus employer-paid comprehensive benefits, an earned day off program, paid vacation, relocation assistance and one of Canada's top pension plans. This position also has the option of participating in the department's employee standby pool.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
