## Design Technician (Landfill) – 12 month term

### Build the best!

The City of Kelowna currently has a Design Technician opportunity available with our Technical Services team. With your Civil Engineering Diploma or Degree, related experience, and relevant professional skills you will be responsible for reviewing plans and inspecting municipal infrastructure projects while providing technical assistance to the Landfill and varies City departments. The Design Technician plays a pivotal role in advising on design, planning, troubleshooting technical issues, and ensuring regulatory compliance. This position liaises with consultants, and various City departments to ensure seamless communication and project coordination.

### Qualifications

- Municipal infrastructure planning and design
- Solid Waste
- Design and network software experience related to utility systems e.g. AutoCAD and GIS
- Excellent communication skills and attention to detail

Help create Kelowna as a *City of the Future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via Kelowna International Airport.

Grow your career in an organization that supports employee work-life balance and career and professional development. This is a CUPE bargaining unit position with an hourly rate starting from \$45.91 per hour plus 14% in lieu of benefits, vacation and statutory holidays. The position has a confirmed term of 12 months.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
