Build a Future** at the City of Surrey.*

EMPLOYMENT STATUS

Exempt – 1 Year Term

SCOPE

Are you passionate about delivering business value through effective project management? Do you thrive on working with a broad range of stakeholders and providing exceptional customer service to diverse business units? Are you seeking a workplace where your contributions are valued, and you can truly make a difference? Look no further! This is your chance to join one of BC's top employers and serve the vibrant community of Surrey.

Joining Surrey's IT Department means more than starting a job—it's about joining a mission. We're leading digital transformation in municipal government, delivering secure, user-focused solutions that support everything from public safety to smart city initiatives.

WHY YOU'LL LOVE WORKING HERE

- **Impact that matters** – Your work directly impacts services relied on by 500,000+ residents.
- **Growth opportunities** – Work with the latest technologies, learn on the job, and access training and certifications.
- **Collaboration** – Join a team that values knowledge-sharing and problem-solving together.
- **Purpose-driven environment** – Be part of a municipality committed to innovation, sustainability, and community service.

As a Sr. Project Manager, you will be assigned to one or more of our business-aligned portfolios and work on the various initiatives within that space. You will partner closely with the business to deliver the numerous initiatives in their backlog. Our portfolios are broad and will expose you to many applications and diverse stakeholders across the City. As an example, our Parks, Recreation and Culture Portfolio involves everything from working with our recreation facilities and supporting the maintenance and development of our City parks, to providing innovative solutions for our Arts, Heritage and Culture Services. In recent months, we have also become one of the leading municipalities in providing innovative solutions to support changing business norms (i.e. virtual ticketing, live sports streaming, virtual public programs, full service virtual council meetings).
