Safety Codes Officer (Plumbing and Gas)

Position ID: J0126-0253

Job Title: Safety Codes Officer (Plumbing and Gas)

Job Type: Full Time

Department: Building Inspections

Number Of Positions: 1

Min Salary: $47.24

Max Salary: $59.05

The Opportunity

The Safety Codes Officer works in partnership with our permit applicants, owners and tenants in developing a safe community to live in, providing quality and timely inspections of buildings and ensuring that they meet safe construction practices in alignment with regulatory standards.

Responsibilities include:

- Represent the City as the authority having jurisdiction in all matters concerning plumbing and gas safety as a Plumbing Safety Codes Officer Group A & B and Gas Group A
- Complete plan examinations, conduct field inspections, review alternative solutions, and issue non-compliance orders
- Perform services as per the City's Quality Management Plan, Safety Codes Act, City Bylaws and the related Plumbing and Gas Codes
- Enter all inspection reports and related information into our electronic platform (CityView Workspace)
- Provide Plumbing and Gas Code interpretation and accurate technical advice to the construction industry, homeowners, other members of the inspection team and internal employees within the City of Airdrie
- Review all alternative solution or variance proposals for compliance with all applicable regulations
- Assist customers at the front counter, on the phone and in person to assist them with inquiries related to the Plumbing and Gas Code

You Bring

- Journeyperson Plumber with Red Seal, and Journeyperson Gas Fitter certified in Alberta
- Certification of a Plumbing Safety Codes Officer Group A & B and Gas Group A
- Individuals who currently do not have certification as a Safety Codes Officer through the Alberta Safety Codes Council but have verified their experience though Alberta Safety Codes Council to qualify, may be considered

- Minimum of five (5) years' experience as a Journeyperson Plumber and Gas Fitter
- Valid Alberta Class 5 Driver's License
- Cross Connection certificate is an asset
- Experience interpreting and enforcing safety code regulations impartially, and communicating decisions professionally
- Proficient in reading construction blueprints and related construction documents
- Previous experience conducting electronic plan reviews would be an asset
- Strong computer skills and experience with various computer software programs including Microsoft Office
- Strong problem-solving and decision-making skills
- Excellent attention to detail and accuracy
- Excellent interpersonal and influencing skills
- Excellent verbal and written communication skills
- Initiative to identify and resolve plan review related matters
- Ability to prioritize workloads and assist team members with projects and inspections as required
- Ability to work within a high-volume, fast paced working environment
- Ability to communicate with a variety of personalities in a tactful and professional manner
- Well-developed interpersonal skills and the ability to influence and form collaborative relationships
- Ability to be a positive influence in a team-setting

We Offer

Along with a competitive compensation program and City paid health and dental premiums, this position also includes:

- Excellent health, dental, paramedical, and benefits plan
- First-in-class pension plan
- Career development and tuition reimbursement
- Employee discounts, annual adult Genesis Place pass, social events, and health & wellness initiatives

Continuous learning through training and development is encouraged as are flexible work arrangements, when possible. We recognize that our people work best when they feel engaged in their environment and appreciated for their efforts and our overall benefits package reflects that.

Additional Information

The position is full time (40 hours per week) and a comprehensive benefits package is included.
