

The Town of Newmarket, Engineering Services  
Requires a **Fleet Technician**  
Regular Full-Time (40 hours per week)

### About Newmarket

Newmarket, Ontario is a vibrant and forward-thinking community that leads with care. As one of the most densely populated municipalities in the province, we're proud to embrace bold, community-centered initiatives—like transforming the historic Mulock Property into our very own Central Park and revitalizing urban corridors to enhance livability and connection.

Our culture is unique and intentionally crafted through collaboration, inclusion, and a shared leadership commitment to creating an environment for extraordinary public service. Our award-winning *Leadership Essentials* program was designed to provide our leaders with the tools and expectations that are key to an employee experience that is well beyond the ordinary. This “made in Newmarket” initiative earned Newmarket the 2025 CAMA Inspiring Workplace Award.

We value flexibility and wellbeing, offering options like hybrid work, compressed workweeks, and flexible hours to support work-life balance. Newmarket is a place where innovation thrives, and where employees are empowered to grow, contribute, and make a meaningful impact in a welcoming and inclusive environment.

Join us in shaping a community that's truly *well beyond the ordinary*.

### Who are we looking for?
