

Manager of Transportation Services

Join the Township of Wellington North as a **full-time Manager of Transportation Services**. The position is currently occupied, with a planned transition period to allow for knowledge transfer in advance of an upcoming retirement.

Why Work With Us:

At the Township, you will join a team that values community, accountability, respect, engagement and sustainability. We offer:

- A supportive and collaborative work environment
- Opportunities for professional development
- Meaningful community impact
- Competitive compensation and benefits

Wellington North is a welcoming, growing township that blends rural charm with modern opportunity. With beautiful parks, thriving recreation, and strong community spirit, it's a place where you can build a rewarding career and an excellent quality of life.

What You'll Do:

Reporting to the CAO and serving as a member of the Senior Management Team, the Manager of Transportation Services is responsible for the planning, coordination, and overall direction of the Township's transportation-related operations. This role oversees the maintenance and improvement of municipal roads, bridges, sidewalks, drainage systems, fleet, and winter control operations.

You will lead a dedicated team, manage departmental budgets and capital planning, contribute technical expertise to development and infrastructure projects, and champion continuous improvement in service delivery. This is an exciting opportunity for a collaborative, solutions-focused leader who thrives in a dynamic municipal environment.

What We're Looking For:

- Diploma in Civil Engineering, Public/Business Administration, Road Construction or related field.
- More than 5 years of experience in municipal roads, engineering or infrastructure operations.
- Up to 5 years of leadership or supervisory experience, especially in a unionized environment.
- Certified Engineering Technologist (CET) designation, considered an asset.
- Strategic mindset with excellent problem solving and analytical skills.
- Strong knowledge of municipal transportation systems, stormwater, asset management, and related legislation.

- Proficient in Microsoft Office and comfortable adopting new technologies.
- Valid G Drivers License.

Working Conditions:

This role is physically office-based with regular site visits. Some evening meetings, occasional overtime, and after-hours response may be required. Exposure to outdoor conditions during site work.

Apply Today!

Be part of a township that values your leadership and invests in your growth. Help us keep Wellington North's roads, bridges and transportation infrastructure safe, efficient, and reliable for everyone. Interested applicants should visit our Careers section and apply online at www.wellington-north.com. Applications will be accepted in confidence until **12:00 PM February 16, 2026**.

Salary Range: \$101,753 to \$127,192, based on a 40-hour work week

We thank all applicants for their interest. Only those applicants selected for further consideration will be contacted. Wellington North is an equal opportunity employer. Accommodation for disabilities will be provided, upon request, to support participation in all aspects of the recruitment process. Personal information in relation to the recruitment and hiring process is collected under the authority outlined in the Municipal Freedom of Information and Protection of Privacy Act.
