

Job Title: Deputy Chief/Manager, Logistics

Halton Region is committed to fostering a diverse, inclusive, and equitable workplace that reflects the communities we serve. We value, welcome and respect the unique perspectives and contributions of all individuals. We encourage applications from Indigenous Peoples (First Nation, Métis, Inuit), Black and racialized persons, persons with disabilities, women, and members of the 2SLGBTQ+ community. Accommodations are available at any point upon request for candidates participating in the selection process.

Halton Region is growing, and so are the needs of our community. Our Paramedic Services are evolving to ensure we continue delivering responsive, high-quality care. Join us as we modernize and strengthen our system for the future.

Over the next 10 years, the Region will be investing significantly in paramedic services, with \$300 million planned for infrastructure (including a new headquarters) and an additional 1400 hours of weekly ambulance staffing. We are committed to delivering high quality paramedic services to the residents, businesses, and visitors of Halton Region. We are searching for an enthusiastic and visionary leader to join our team.

Job Summary

Reporting to the Chief/Director of Paramedic Services, the Deputy Chief, Logistics leads the delivery of all aspects of the Paramedic Services Division logistics program. This program includes equipment and supply sourcing and management, linen, uniforms, inventory tracking and reporting, vehicle procurement and commissioning, and facility design.

As a member of the Paramedic Services leadership team, this position is responsible for meeting or exceeding all provincial legislation/regulations and standards while ensuring service excellence for residents.

Duties & Responsibilities

- Provide strong leadership skills; promotes collaboration, integrity, and transparency to create a positive and open workplace culture.
- Provide strategic direction for the logistics program, incorporating best practices, and continuous improvement into all functions.
- Continually investigate and make recommendations on innovative strategies to deliver the logistics program.
- Foster a culture of operational excellence, safety, innovation, and customer service.
- Possess and maintain a sound knowledge of logistic best practices ensuring efficient utilization of assigned resources, monitors/recommends program revisions.
- Assist in the overall goal setting, development of objectives, policies and procedures and mid/long-term plans for provision of paramedic services.
- Establish and maintain positive working relationships through regular engagement with stakeholders, allied agencies, Ministry of Health representatives, local municipalities, vendors, and other departments to ensure effective and coordinated service delivery.
- Assist in the development and administration of the annual budget and maintains accountability for ensuring expenditures are controlled and maintained within approved budget limitations.
- Collaborate with Strategic Sourcing to procure vehicles, equipment, supplies, medication, linen, uniforms, preventative maintenance services etc. in compliance with applicable legislation and corporate policies.
- Act as the Divisional lead for health & safety compliance, ensures health & safety protocols and education are in place and compliant with legislative, corporate, and industry requirements.
- Lead Divisional liaison with corporate fleet, facilities, capital construction, and information technology.

Additional Responsibilities

- Comply and report on key performance data through analysis of logistics and fleet related items.
- Oversee the Logistics response to ensure adequate support in the event of a Multi-Casualty Incident.
- Participate in the advancement of the central reporting station model.
- Serve as on-call Duty Manager on a rotating basis.
- Serve as Incident Commander for any major incidents arising during the on-call cycle.
- Support the Regional Emergency Operations Centre as required.

Skills & Qualifications

- Undergraduate Degree in Business or related discipline, or equivalent combination of education and related job experience.
- Minimum of ten (10) years of senior leadership experience in logistics and/or paramedic services.
- Demonstrated ability to build collaborative relationships with elected officials, senior management, community partners, allied agencies, and other stakeholders.
- A commitment to continuous improvement, innovation, and customer service excellence with a focus on achieving measurable outcomes.
- Effective communication, listening and presentation skills to communicate effectively with staff, public, committees and representatives of outside agencies and municipalities.
- Strategic and lateral thinking skills combined with strong analytical, technical and process flow skills.
- Experience overseeing fleet, equipment, inventory, procurement, and preventative maintenance activities.

- Thorough knowledge of the Ambulance Act and its associated Regulations and Standards, the Occupational Health & Safety Act and other related legislation.
- Demonstrated knowledge of labour relations, including the application of Collective Agreements.
- Detailed knowledge of purchasing process from requisition to invoice payment.
- IMS 100/200 or 300 (300 preferred).
