

*... a great place to live, work & play*

One of the sunniest regions in BC's Lower Mainland, Delta embraces three unique communities - Ladner, North Delta and Tsawwassen. The City of Delta is looking for dedicated individuals to join our team and share in our commitment to lead the way in public service excellence.

## ENGINEERING SUMMER STUDENT (UTILITIES)

The City of Delta is a vibrant municipality that is rich in soil and water, rich in history and industry, and especially rich in people. Situated in the "delta" of the Fraser River, Delta is home to a population of more than 108,000 residents. With the support of a strong farming and agricultural foundation, we pride ourselves on our past and our sustainable future.

We have an exciting opportunity for a co-op/summer student to join the Engineering department. The successful candidate will work in a supportive team with the opportunity to attain a broad range of engineering experience including utilities, steep slopes and flood protection.

The successful candidate will be responsible for some of the following assignments:

- Collect, analyze and interpret datasets to identify trends and patterns;
- Use tools and software to process and evaluate the data, ensuring accuracy and relevance;
- Prepare detailed reports summarizing the findings including graphs and tables;
- Communicate information in a clear, concise manner for the audience;
- Use Geographic Information Systems (GIS) and other mapping software to prepare detailed maps to support utility planning;
- Participate in the planning of utility systems including water, wastewater, and storm water infrastructure;
- Prepare cost estimate for projects; and,
- Other assignments as required.

### Desired Skills and Abilities:

- Excellent written and verbal communication skills;
- Strong customer service skills;
- Skilled in the use of Microsoft Office, including Outlook, Word, Excel, and PowerPoint;
- Experience in GIS and AutoCAD would be an asset; and,
- Ability to work independently with minimal supervision.

### Required Licences:

A valid Class 5 BC Driver's Licence is required.

Preference will be given to applicants currently enrolled in an undergraduate program with a focus on civil engineering studies. Previous experience related to utilities and municipal engineering services would be an asset.

The City of Delta provides a competitive salary of \$25.93 - \$30.41 per hour (2024 rates) + 12% in lieu of vacation, public holidays and benefits. Interested applicants are requested to apply online by March 4, 2026.

At the City of Delta, we are committed to recruiting and retaining a diverse workforce that is representative of our community, providing equal opportunity and fostering an inclusive workplace where our individual differences are recognized, valued and celebrated.

We thank all applicants for their interest; only those under consideration will be contacted. Copies of relevant professional certificates, degrees, or tickets must be submitted with your application. Preferred candidates will be required to submit a Police Information Check.
