

WE ARE HIRING!

MANAGER OF INFRASTRUCTURE

Looking for an opportunity to be a leader in a growing and progressive community? The City of Brandon has an exciting opportunity for a skilled individual.

Apply today at

JOBANK.BRANDON.CA

Manager of Infrastructure

If you thrive in collaborative environments, think and act strategically, juggle multiple priorities with confidence, and take pride in moving impactful projects across the finish line, you'll want to explore the Manager of Infrastructure opportunity with the City of Brandon.

Reporting to the Director of Engineering Services, the Manager of Infrastructure leads a multidisciplinary team of engineers, project managers, and engineering technologists responsible for the planning, design, construction, and long-term stewardship of municipal infrastructure. This role blends strategic leadership with hands-on project oversight, ensuring that Brandon's infrastructure is safe, sustainable, and aligned with the City's long-term growth objectives.

Being Manitoba's second largest city, Brandon has experienced solid and consistent growth and provides opportunities for individuals, families, and businesses to grow and succeed.

Manager of Infrastructure

WHAT DOES THE POSITION OFFER YOU?

- The opportunity to lead the development, design, tendering and construction of municipal infrastructure projects
- Guide long-range planning for transportation, water, wastewater and drainage networks
- The ability to influence growth of a thriving and active City
- Manage sustainable infrastructure that provides a high level of public service
- Progressive training and internal succession opportunities
- An organization that lives its values of Building and Serving Community with PRIDE (Professionalism, Respect, Integrity, Diversity and Excellence);
- Being part of a multi-cultural organization
- Defined benefits pension plan and benefits package

WHAT YOU BRING

- A strategic mindset with the ability to translate long-term goals into actionable plans.
- Strong leadership experience in municipal engineering, infrastructure planning, or capital project delivery.
- Exceptional communication skills — able to convey technical information clearly to Council, colleagues, and the public.
- A collaborative approach that strengthens relationships and builds trust across departments and with the community.
- Experience in procurement and administration of Engineering Service Providers;

Manager of Infrastructure

The City of Brandon is committed to an inclusive, barrier free environment and will accommodate the needs of applicants under the Accessibility for Manitobans Act (AMA) throughout all stages of the recruitment and selection process. We thank all applicants for their interest; only those advancing in the competition will be contacted. If contacted to participate in the process, please advise if you require an accommodation.

This position is not included in a Collective Agreement.

The selection process for this competition will include testing and an interview.

The City of Brandon reserves the right to underfill this position.

What does Brandon have to offer?

Brandon consistently ranks in the Top 10 best places to live and is the 6th sunniest city in Canada. Cottage country is as close as 20 minutes, with renowned Riding Mountain National Park and Wasagaming resort area within an hour. World-class hiking and mountain biking opportunities are also within 20 minutes.

Brandon has the third most affordable housing in the country when comparing salaries to housing costs (REMAX 2022).

Rich in culture, rarely does a weekend go by without a community gathering, theatre play, concert, or event. The community has a full-service auditorium and Manitoba's largest indoor event centre.

As Western Manitoba's industrial and commercial hub, there are many restaurants, retail shopping stores and employment opportunities.

Home to a university and a major college, education opportunities are abundant.

What does Brandon have to offer?

Brandon is a vibrant and culturally diverse community boasting active immigration from all corners of the world.

Maximum in-city commute of 12 minutes makes going home for lunch or attending your children's school celebrations or activities easy.

Brandon has a reputation as a sports oriented city bolstered by a WHL hockey team and a high-performance hockey academy.

Whatever the season, there are a multitude of recreational options ranging from casual to organized to professional. Winter sports are aplenty and include snowmobiling, ice fishing, cross country skiing and snowshoeing. The Assiniboine River stretches 17 km through Brandon and is ideal for canoeing, water sports, fishing and picnics.

Brandon is strategically located to facilitate quick visits to the capital city home to an NHL hockey franchise, CFL football team, and major concert events, one hour to the USA border, and countless parks, forests, rivers and lakes

We encourage you to dig a little deeper into what makes Brandon so welcoming by visiting economicdevelopmentbrandon.com/live.
