Traffic Technician

Move your career in the right direction!

Contribute to a growing, multidisciplinary transportation team that is shaping how Kelowna moves. As a Traffic Technician with the Infrastructure Division, you'll work on real, city-building transportation projects including traffic operations and safety reviews, traffic calming, and the planning and delivery of multimodal capital improvements. As one of Canada's fastest-growing regions, keeping our community moving requires developing projects using multimodal approaches within complex and constrained urban environments.

The City seeks an individual with a diploma or degree in Civil Engineering Technology, Transportation Engineering, or a related field to work collaboratively with the public, other City departments, consultants, developers and external agencies to make our transportation network safer and more efficient. Professional Technologist certification (AScT) is preferred. Experience with traffic projections, capacity analysis, traffic control operations and design, traffic calming, active transportation and transit accommodation, and traffic safety are considered assets. As a strong communicator, team builder, and problem-solver you will deliver excellent internal and external customer service.

Help create Kelowna as a *City of the Future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport

Grow your career in an organization that supports employee work-life balance and career and professional development. This is a CUPE bargaining unit position with an hourly rate starting at \$49.66 per hour plus employer-paid comprehensive benefits, an earned day off program, paid vacation and one of Canada's top pension plans.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
