### About the City of Sarnia

Located at the mouth of the St. Clair River on the shores of Lake Huron, the community of Sarnia is known for its breathtaking waterfront, pristine beaches and beautiful parks system. Situated on the American border, just a short drive from London, Ontario, the community boasts a host of recreational opportunities, state-of-the-art healthcare, a vibrant cultural scene, and excellent education paired with a high standard of living and mild climate.

Ranked one of the most affordable medium-sized cities in Ontario, Sarnia, with its 72,000 residents, is home to over 1,000 acres of parkland and 40 km of trails in addition to 4 golf courses, 16 art galleries, 6 museums, and 3 theatres across the County.

### The Role

Under the direction of the Manager of Planning & Development Services, this role is key to providing effective leadership and direction in the coordination and management of Planning Act Applications.

The Superintendent is responsible for managing and delivering comprehensive development review services, including analysis, reporting, and professional recommendations to Council in accordance with municipal and provincial policies and legislation. This role supports long-range planning initiatives, contributes to policy development, and prepares detailed reports on complex planning applications. The Superintendent interprets corporate strategies, presents at public meetings, and responds to inquiries from Council and the community. They provide expert planning evidence before the Ontario Land Tribunal and collaborate with legal counsel on appeals, mediation, and settlement discussions. The position oversees a variety of complex development applications, negotiates solutions to planning issues, and ensures projects advance efficiently. Leadership responsibilities include assigning and monitoring workloads, supervising and mentoring staff, supporting recruitment, and ensuring

compliance with health and safety requirements. The Superintendent also maintains up-to-date professional knowledge, recommends improvements to procedures and service standards, and performs related duties as required.
