

Environmental Program Specialist Community Development Environmental Initiatives

Red Deer is Alberta's third largest city, a growing city built on entrepreneurialism, innovation and community spirit that drives who we are and what we do. We, as a city, are served by an innovative government, inspired by the people and businesses that live here, and filled with vibrant places and spaces for people to connect and community to thrive. Located halfway between Calgary and Edmonton, Red Deer an active city rooted in an expansive park and is young and vibrant with a median age of under 35 years. With a diverse and resilient educated workforce, strong average family income, and ideal geographic location, Red Deer is a highly desirable place to live and do business and continues to grow.

The City of Red Deer is currently recruiting an Environmental Program Specialist - Community Development Environmental Initiatives to fill a permanent full-time position. The Environmental Program Specialist acts as a resource for environmental programming in Red Deer, includes conducting research, developing and implementing programs, communicating environmental messages, and responding to inquiries.

Ideally to fill this role, you will have a two-year post-secondary diploma in an environmentally related field or an equivalent combination of education and experience, plus a minimum of 2 years' experience in program creation and/or working in an environmentally related field.

In addition, you will have:

- Valid Class 5 drivers license
- Demonstrated strong attention to detail, well organized self starter and proven ability to coordinate work tasks in a fast paced environment with changing priorities
- Demonstrated experience conducting research, writing reports and presenting results.
- Demonstrated ability to communicate effectively, verbally and in writing, with staff and the public including handling conflict
- Demonstrated public speaking ability and presentation skills
- Ability to represent The City and the Safe & Healthy Communities Department to the public, the media, stakeholder groups and other governments.
- Ability to work individually or as part of a team
- Ability to translate technical concepts into lay terminology
- Knowledge of environmental initiative research methods, program development and effective public consultation methods
- Computer operation skills (including knowledge of Microsoft Office, database management, etc)

What we offer:

In addition to the very competitive hourly rate of \$41.95 to \$44.16 and an excellent benefit package; we offer a great work environment with a dynamic and dedicated team of likeminded professionals.

If you think this is the job for you, come build your career with The City of Red Deer!

We welcome applications until March 27, 2026.
