

Home to vast parkland and attractions including Grouse Mountain, Lynn Canyon and Capilano Suspension Bridge, the District of North Vancouver is inspired by nature, and enriched by people. Recognized as one of BC's Top Employers for six years, the District offers professional development opportunities, a competitive total compensation package, a nine-day fortnight, and hybrid work arrangements.

This is an exciting time to join us as we transform digital service delivery, reimagine the customer experience, and advance bold climate action initiatives. Known for our flexible, family-friendly policies and inclusive workplace culture, the District is an exceptional place to build a meaningful career.

About the Role

Our Engineering Survey department is looking for a Survey Assistant II to join the team. This is technical and manual work assisting the Survey Technician in all aspects of conducting varied survey assignments. The incumbent participates in all aspects of Survey Assistant I duties; checks the calculations of the Instrumentman; operates all survey instruments; and assumes charge of a survey crew in the absence of the Instrumentman. The Survey Assistant II exercises some independence of judgement and action within established guidelines and procedures, referring more difficult matters to a superior who reviews work performance in terms of effective assistance rendered in all aspects of surveying activities.

While experience is preferred, candidates with a strong work ethic and cooperative attitude are encouraged to apply.

The successful applicant will possess, or have the proven capacity to learn:

- Working knowledge of the methods, techniques, calculations and equipment used in Municipal survey work, along with working knowledge of engineering mathematics, construction methods and engineering practices.
- Ability to work outdoors in physically demanding conditions and in all forms of inclement weather.
- Ability to rapidly perform mathematical calculations and computations, read and interpret construction drawings and reports, and prepare technical survey documents (cut sheets, base plans, etc.).
- Ability to operate survey instruments and related equipment as required.
- Ability to establish and maintain effective working relationships with staff, and to exercise tact and diplomacy in relating to members of the public.

Qualifications

Completion of the 12th grade. Experience and/or courses in survey, geomatics, construction or another related field is highly preferable. A valid Class 5 BC Driver's Licence is required.

Details

Term: 4 months (May to September)

Salary: The pay range for this unionized position is \$29.48 to \$34.63 per hour (2024 rates).

Hours of Work: 37.5-hour work week.

Apply

The District of North Vancouver is committed to creating a diverse, inclusive, and accessible work environment. If you have what we're looking for and have a passion to serve people and the community, a demonstrated understanding of safety, a commitment to supporting a healthy and safe workplace, and a willingness to take further safety training as required, we would like to hear from you. Please apply on-line at <https://careers.dnv.org/> by **April 7, 2026**, to be considered.

If you require accommodation, please contact Human Resources at hr@dnv.org

We thank you for your interest in employment with the District of North Vancouver and advise that only those shortlisted for an interview will be contacted.

Our Values

We respectfully acknowledge the Coast Salish peoples, specifically the xʷməθkʷəy̓əm (Musqueam), Skwxwú7mesh Úxwumixw (Squamish), and səlilwatał (Tseil-Waututh), on whose ancestral lands the District of North Vancouver is located.
