

Property Assessor

Ready to grow your accredited assessment experience and take the next step in your career?

The Municipal District (M.D) of Bonnyville No. 87 is offering an exciting opportunity for a Property Assessor to join our team.

This role is ideal for an assessment professional who is eager to expand their knowledge, build valuable experience, and work within a diverse and growing assessment base.

About the Role

As a Property Assessor, you will assist the assessment team with the coordination, preparation, defence, review, and audit of annual property assessments in a lead role.

You will be part of a collaborative and well-supported team made up of:

- Two Accredited Assessors
- Three Junior Assessors
- Two Assessment Technicians

The two Accredited Assessor positions share responsibilities and work closely together, reporting to the Chief Assessor/Manager of Assessment Services. Assessments are completed using CAMALot assessment software.

This team structure supports strong collaboration, professional development, and an excellent work life balance.

Why Join the M.D. of Bonnyville?

If you are looking to broaden your assessment skillset, the M.D. offers the scale and diversity to help you do just that.

The M.D. currently has a \$9.2 billion taxable assessment base, including:

- \$3.1 billion in Machinery & Equipment
- \$3.0 billion in Linear
- \$2.0 billion in Residential
- \$800 million in Non-Residential
- \$61 million in Farmland

This position offers the opportunity to work in non-residential, farmland, and designated industrial properties. The M.D. is also a delegate of the Provincial Assessor's team and assists in establishing the designated industrial non-linear assessment roll each year.

A Team Focused on Growth

Our team is committed to continuous learning and shared success. We value collaboration and believe in building today's knowledge for tomorrow's opportunities.

If you are passionate about assessment and motivated to learn, we encourage you to apply — even if you do not meet every requirement today. Accreditation, drive, and a willingness to grow are qualities we highly value.

Discover Life in Bonnyville

The Municipal District of Bonnyville is a diverse and vibrant municipality in Northeastern Alberta. With more than 82 named lakes, millions of acres of farmland, a strong oil and gas sector, growing tourism, and a dynamic economy, it is an exceptional place to live and work.

Our nearby urban neighbours offer a variety of shopping, dining, and recreation opportunities, while the hamlets within the M.D. provide a unique blend of rural, urban, and lake lifestyle.
