The Fraser Valley Regional District is a local government that delivers over 100 services to residents living in our eight electoral areas and six member municipalities. We are the third most populous regional district in BC, stretching from Abbotsford to Boston Bar. The Fraser Valley offers a great place to work and live with a mix of rural and urban lifestyles along with an abundance of recreational and cultural opportunities.

People are at the center of everything we do, and we strive to put the needs of those we serve and the employees in the organization at the forefront of our day-to-day work. We are an organization that values teamwork and respect. We are committed to diversity, equity, inclusion, and being representative of the region we serve. We invite all qualified candidates to apply. We are dedicated to the ongoing process of building relationships and examining our work to ensure that the principles of inclusion, collaboration, and reconciliation are included. If you have a passion for public service and want to make a difference in the lives of those who live, work, and learn in the Fraser Valley, consider coming to work with us.

We are seeking up to two casual Animal Control Bylaw Clerks to join our Animal Control Program in Chilliwack. These highly motivated, independent and animal-savvy individuals, under the direction of the Animal Welfare and Regulatory Supervisor, will work as part of a team, providing excellent customer service and support for animal control bylaw enforcement. Duties include tracking a large number of documents and files; working to deadlines, accepting fees and dog licence applications; maintaining forms, reports and records; and liaising with customers to answer queries and process various documents. You must recognize the need for security in protecting the sensitive nature of Regional District matters.

If you love working with the public and animals, have a positive, can-do attitude and a keen sense of humour, you will fit right in. Bring your positive energy, ambition and desire to learn, and we'll take care of the rest.
