

Senior Software Developer (Permanent, Full-Time) - 1922

Close Date

May 18, 2026

At the City of Kamloops, we believe in progressive and barrier-free recruitment for everybody every day. This means employment opportunities for all in a safe, inclusive and diverse workplace. We know our city is stronger when we hire qualified individuals from different backgrounds with diverse experiences, cultures and perspectives.

We are focused on creating the highest levels of service excellence, based on an organization-wide community culture that celebrates our employees who make it all happen. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience. This is Kamloops!

Let's make Kamloops shine! Join our team today.

Position Overview

Are you a seasoned Full Stack developer who enjoys solving complex problems, building impactful systems, and working closely with people—not just coding? The City of Kamloops is looking for a **permanent, full-time Senior Software Developer** to play a key role in the AI and Automation team, shaping and supporting the technology that powers our organization and community.

This is more than a coding role—you'll act as a **technical leader, consultant, and collaborator**, helping departments turn ideas into reliable, scalable solutions.

Being employed with the City of Kamloops allows you to be part of employee well-being programs that include support for mental well-being and physical health through onsite gyms and a Wellness Works program that focuses on this critical corporate building block.

Welcome to the vibrant heart of British Columbia, where the majestic Thompson River flows amidst stunning landscapes and a community steeped in history and culture. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit!

Nestled in the Thompson Valley and surrounded by the rugged beauty of the Interior Plateau, Kamloops boasts a unique blend of urban amenities and outdoor adventure. From its bustling downtown core, alive with eclectic shops and diverse culinary delights, to its vast network of trails, parks, and recreational facilities, Kamloops offers something for everyone.

Whether you're an outdoor enthusiast seeking thrills on the mountain bike trails of nearby Kamloops Bike Ranch, a history buff exploring the city's rich Indigenous heritage at the Secwépemc Museum and Heritage Park, or a foodie delighting in the farm-to-table cuisine of its local restaurants, Kamloops welcomes you with open arms and boundless opportunities to explore, discover, and connect.

The successful candidate must have the following qualifications:

1. Completion of a post-secondary degree in Computer Science or Computer Engineering.
2. Minimum three years' experience within the last four years as a programmer or developer that includes:
 - being the lead in creating various modern web and mobile solutions
 - writing and enhancing application interfaces
 - working with web technologies (HTML5, CSS3, AJAX, Java/J2EE, Net Framework, etc.) and web services (XML, SOAP, REST)
 - working with source code and version repository systems
 - database administration and/or development in at least two of the following database platforms: ORACLE, MSSQL, MYSQL, PostgreSQL, or NoSQL
3. Demonstrated typing speed of 40 WPM.

For new hires, and for those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check. A comprehensive benefits package is included with this position. This is a CUPE Local 900 position.
