

Infrastructure Administrator (Permanent, Full-Time) – 1928

Close Date

May 25, 2026

At the City of Kamloops, we believe in progressive and barrier-free recruitment for everybody every day. This means employment opportunities for all in a safe, inclusive and diverse workplace. We know our city is stronger when we hire qualified individuals from different backgrounds with diverse experiences, cultures and perspectives.

We are focused on creating the highest levels of service excellence, based on an organization-wide community culture that celebrates our employees who make it all happen. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience. This is Kamloops!

Let's make Kamloops shine! Join our team today.

Position Overview

Are you interested in being the next **permanent, full-time Infrastructure Administrator** at the City of Kamloops? This permanent, full-time position is a hands-on role managing the technology that keeps the City running — servers, storage, Microsoft 365, Exchange, Active Directory, and a growing cloud and hybrid environment. You'll work closely with a team of engineers and admins to keep systems healthy, tackle projects, and help shape where our infrastructure goes next.

Kamloops blends stunning natural beauty, a vibrant community spirit, and urban amenities with unparalleled outdoor adventure. Known as Canada's Tournament Capital, this welcoming city offers an affordable lifestyle, short commutes, and access to world-class recreation like Sun Peaks, lakes, bike parks, and more. Whether you're exploring Indigenous heritage at the Secwépemc Museum, dining on farm-to-table cuisine, or hitting the mountain trails, Kamloops invites you to live, play, and connect in a place where the Thompson River winds through a landscape as rich in opportunity as it is in culture.

The successful candidate must have the following qualifications:

1. Completion of a Computer Science or Computer Engineering degree or an equivalent degree OR a combination of a diploma in a Computer Science related field AND Infrastructure or Network Certifications (covering data management and security, cloud computing, networking, and/or Microsoft backend platforms) AND 5 years Tier 3 recent experience in a combination of Infrastructure and Network.
2. Minimum two years previous experience that includes managing VMWare, Windows Server Administration, Active Directory, and Microsoft 365 Administration.

For new hires, and for those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check. A comprehensive benefits package is included with this position. This is a CUPE local 900 position.

Hourly Rate

\$49.642

Hours & Days of Work

Monday to Friday: 8:30 AM - 4:30 PM (winter) 8:00 AM - 4:00 PM (summer)

Hours per Week

35

Please note if you need assistance or have individual needs or requirements throughout the application process, contact the Human Resources Department by telephone, email hr@kamloops.ca or in person at 6-510 Lorne Street so we can better support you.

External job postings are open to everyone. We are an equal opportunity employer and thank all applicants for their interest. Please be sure to review the application requirements of each job you apply for. Only those selected to participate in the recruitment process will be contacted.

Applications are accepted online at kamloops.ca/careers.
