Co-op and Career Path Student – Mechanical or Electrical Engineering  
8-Month Term

## Moving the City Forward!

We're looking for passionate, energetic, and versatile Engineering student to join our Facilities team for an 8-month Co-op and Career Path term. You will work with our facilities team on the following:

- Attending site visits to document the existing condition of facility assets
- Assist with updating and maintaining project record drawings across facilities
- Support engineers with project delivery, including design coordination and documentation
- Collaborate with the Mechanical, Electrical, and Energy teams on ongoing initiatives

**Co-op position runs from September through April.** Eligible candidates must be enrolled in and returning to school in the subsequent academic semester from an accredited post-secondary institution. Preference given to candidates in third year or higher, and those with relevant work experience.

Enrolment in a formal co-op program is not required.

Position qualifications include:

- Demonstrates a sound understanding of engineering fundamentals and basic design principles
- Experience with AutoCAD is considered an asset
- Valid BC Driver's License Class 5.
- Ability to work independently and as part of a team.
- Excellent communication, customer service and interpersonal skills.
- Must be physically able to perform all the duties required.

**This assignment is for an eight-month term between September to April 2027.** This is a CUPE bargaining unit position with an hourly rate of \$27.64 to \$29.94 per hour (depending on education) plus 14% in lieu of benefits, vacation and statutory holidays.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
