

MUNICIPAL ACCOUNTANT

The Job

The Town of Edson is seeking a **Municipal Accountant** to support the accuracy, integrity, and effective use of financial information across the organization. Reporting to the Manager of Finance, this role contributes to a broad range of accounting functions and works closely with departments to ensure financial practices are consistent and aligned with organizational priorities.

This position offers the opportunity to be involved in both day-to-day financial operations and ongoing improvements to processes and controls. The Municipal Accountant is a trusted resource within the organization, providing clear financial information and helping support informed decision-making. The role also contributes to a professional and collaborative work environment that values accountability, respect, and service to the community.

The Candidate

The ideal candidate is a reliable and professional accounting practitioner who produces accurate, high-quality work and applies sound judgment in a practical and thoughtful way. They have a strong foundation in accounting principles and are comfortable taking ownership of their responsibilities while remaining collaborative and engaged with their team. Experience in a municipal or public sector environment is valued, along with an understanding of the importance of accountability and transparency in that setting. They communicate clearly and respectfully, building positive working relationships across the organization and contributing to a supportive, team-oriented environment

Their approach is grounded in integrity and accountability, supported by strong attention to detail and the ability to adapt as priorities evolve. They are open to learning, receptive to feedback, and motivated to improve both their own work and the processes around them. Supported by relevant education and experience, they are confident working with financial data and systems and bring a steady, organized approach to their work while contributing to a well-run and professional organization.
