Traffic Operations Engineer

Move Kelowna forward. Safely, efficiently and reliably.

The City of Kelowna is a vibrant and rapidly growing community of 165,000 residents. Located in the heart of the Okanagan Valley, Kelowna is known for its exceptional quality of life, thriving economy and commitment to innovation. As the city continues to grow, maintaining a safe, efficient and reliable transportation network has never been more important.

As the Traffic Operations Engineer, you will play a key role in supporting the day-to-day operation of the transportation network through traffic management, road use permitting, traffic signal operations and technical review services. Reporting to the Traffic Operations Manager, you will review and support internal teams with complex Traffic Management Plans, signage and pavement marking warrants and designs, traffic operations technical reviews and other operational traffic matters to support safe, efficient and reliable movement across Kelowna's transportation network.

The ideal candidate will have a Bachelor of Applied Science in Civil Engineering, or an equivalent combination of education and experience, with related consulting or municipal experience. A Professional Engineer (P.Eng.) designation with Engineers and Geoscientists BC, or another Canadian jurisdiction, is required; however, an A.L.P. Eng. with significant relevant experience may be considered. Experience with Synchro, traffic data analysis and interpretation would be an asset.

Help create Kelowna as a City of the Future. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.

Grow your career in an organization that supports employee work-life balance and career and professional development. This exempt position offers a salary range of \$106,000 to \$123,000 employer-paid comprehensive benefits, an earned day off program, paid vacation and one of Canada's top pension plans.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
