

LIFEGUARD
HOPE & AREA RECREATION CENTRE
(PART-TIME) (UP TO 4)
Competition #2026-29
July 8, 2026

The Fraser Valley Regional District is a local government that delivers over 100 services to residents living in our eight electoral areas and six-member municipalities. We are the third most populous regional district in BC, stretching from Abbotsford to Boston Bar. The Fraser Valley offers a great place to work and live with a mix of rural and urban lifestyles along with an abundance of recreational and cultural opportunities.

People are at the center of everything we do, and we strive to put the needs of those we serve and the employees in the organization at the forefront of our day-to-day work. We are an organization that values teamwork and respect. We are committed to diversity, equity, inclusion, and being representative of the region we serve. We invite all qualified candidates to apply. We are dedicated to the ongoing process of building relationships and examining our work to ensure that the principles of inclusion, collaboration, and reconciliation are included. If you have a passion for public service and want to make a difference in the lives of those who live, work, and learn in the Fraser Valley, consider coming to work with us.

As a Lifeguard at the Fraser Valley Regional District, each week brings variety and purpose. You might be opening the pool for early morning swimmers, keeping a close eye on safety throughout the day, or wrapping up a busy evening shift. You'll ensure a clean and welcoming environment, provide support to patrons, and maintain a strong safety presence at our 25m pool in the Dan Sharrers Aquatic Centre. If you're certified, you'll also be teaching swim lessons — helping participants build skills and confidence in the water. If you're someone who thrives in a team environment, enjoys working with the public, and brings a positive attitude to every shift, this role is a great way to stay active and make a difference in your community.

We offer a positive, supportive, team-based work environment with an emphasis on collaboration. If you have a positive, can-do attitude and a keen sense of humour, you will fit right in.
