

# Supervisor of Roads and Forestry Services

Fort Erie bridges big city entrepreneurial opportunities with small-town charm and lifestyle. Quality of life is incomparable with its strong values, a dynamic work environment and easy access to modern amenities complemented by small-town ambience, warmth and welcome. Along with an array of historical sites, natural beauty and beaches, recreational trails, excellent fishing, birding and cycling, and a gateway to Buffalo via the Peace Bridge, Fort Erie has so much to offer!

The Town of Fort Erie is a diverse and welcoming community. Come join our team of dedicated, professional and committed co-workers and put your mark on something that is exciting and rewarding. We are recruiting people who share our values of teamwork, respect, honesty and commitment. Our mission is to lead and serve Fort Erie by pursuing opportunities, leveraging partnerships and managing our resources to achieve prosperity.

The Supervisor of Roads and Forestry Services will plan, lead and direct the work associated with the operation and maintenance of roads and rights of way including the summer and winter maintenance of roads and sidewalks, maintenance of roadside drainage, and the provision of forestry services through the effective and efficient deployment of physical and human resources.

The ideal candidate will have successfully completed an Ontario Secondary School Diploma (OSSD) or equivalent, along with a post-secondary Construction or Engineering program of at least three (3) years, or possess an equivalent combination of education and experience. They will possess, or be actively working toward, a Certified Engineering Technician (CTech) or Certified Engineering Technologist (CET) designation, a Certified Road Supervisor (CRS) designation, and Certified Arborist designation. They will have a minimum of three (3) years of related supervisory experience in infrastructure operations, including roads, roadside drainage, sidewalks, and forestry. The successful candidate will also possess a valid driver's licence with a driving record acceptable to The Corporation, as well as current First Aid and CPR certification.

Compensation includes an annual salary of \$101,217.29 to \$121,460.74 and includes a comprehensive health, benefit and pension package.
