

The Town of Newmarket, Public Works Services  
Requires a **Technical Student – Civil Engineering Projects**  
Contract (8 months - 40 hours per week)

### About Newmarket

Newmarket, Ontario is a vibrant and forward-thinking community that leads with care. As one of the most densely populated municipalities in the province, we're proud to embrace bold, community-centered initiatives—like transforming the historic Mulock Property into our very own Central Park and revitalizing urban corridors to enhance livability and connection.

Our culture is unique and intentionally crafted through collaboration, inclusion, and a shared leadership commitment to creating an environment for extraordinary public service. Our award-winning *Leadership Essentials* program was designed to provide our leaders with the tools and expectations that are key to an employee experience that is well beyond the ordinary. This “made in Newmarket” initiative earned Newmarket the 2025 CAMA Inspiring Workplace Award.

Join us in shaping a community that's truly *well beyond the ordinary*.

### Who are we looking for?

Under the direction of the Supervisor, Right of Way Management, the Technical Student - Civil Engineering Projects will be responsible for carrying out various types of inspections on construction projects to ensure conformance with approved permits, project design and specifications, completing daily inspection reports, recording and maintaining field measurements, and processing final payments.

### How do I qualify?

- Currently enrolled or a recent graduate in a civil engineering technology post secondary program.
- Strong interpersonal skills and ability to deal with a variety of personality types.
- Ability to work independently with minimal direction or as part of a team, and to respond appropriately to any situation which may arise.
- Understanding of soil, concrete, asphalt properties, civil design principles, construction, engineering, traffic analysis and municipal infrastructures. Previous sidewalk construction experience is an asset.
- Ability to deal effectively and courteously with the public, contractors, other Departments and staff.
- Proficient in the Microsoft Suite of Programs (Word, Excel, Outlook, Internet Explorer) and AutoCAD.
- Class G driver's license in good standing and a reliable vehicle available for corporate business driving to construction sites throughout the Town of Newmarket.
