

Instrumentation Mechanic (Permanent, Full-Time) - 2022

Close Date

Open until filled

At the City of Kamloops, we believe in progressive and barrier-free recruitment for everybody every day. This means employment opportunities for all in a safe, inclusive and diverse workplace. We know our city is stronger when we hire qualified individuals from different backgrounds with diverse experiences, cultures and perspectives.

We are focused on creating the highest levels of service excellence, based on an organization-wide community culture that celebrates our employees who make it all happen. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience. This is Kamloops!

Let's make Kamloops shine! Join our team today.

Position Overview

Are you a skilled **Instrumentation Mechanic** looking for a **permanent, full-time** role where your expertise directly enhances the infrastructure of a growing city? Join our team and play a critical role in keeping Kamloops running safely and efficiently! From designing and installing cutting-edge instrumentation systems to troubleshooting complex hydraulic, pneumatic, and electronic controls, your work will help power everything from pumping stations to recreation facilities.

Whether you're an outdoor enthusiast seeking thrills on the mountain bike trails of nearby Kamloops Bike Ranch, a history buff exploring the city's rich Indigenous heritage at the Secwépemc Museum and Heritage Park, or a foodie delighting in the farm-to-table cuisine of its local restaurants, Kamloops welcomes you with open arms and boundless opportunities to explore, discover, and connect. Get a sneak peek into the Kamloops lifestyle and upcoming events here – <https://www.tourismkamloops.com/>

The successful candidate must have the following qualifications:

1. Completion of Instrumentation and Control Technician Red Seal Program.
2. Minimum three years' previous experience working as an instrumentation technician currently working in the trade.
3. Ability to obtain and maintain an RCMP enhanced security clearance. If you are unable to obtain or maintain an RCMP enhanced security clearance, your employment with the City will be terminated. (To be considered for an RCMP enhanced security clearance, applicants must be a Canadian citizen or have Permanent Resident Status in Canada. Note: individuals with Permanent Resident Status must have resided (physically present) in Canada for the last five (5) consecutive years).
4. Valid BC Driver's Licence - Class 5.

This is a unionized position with CUPE Local 900; check out our [Collective Agreement \(2024 - 2025\)](#) for full details (ratified 2026 Collective Agreement coming soon). As this is a unionized position, all qualifications must be met in order to be shortlisted for the position.

For new hires, and for those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check. A comprehensive benefits package is included with this position.
