

#V2041 Manager, Utility Services – Operations

Sunshine Coast
Regional District

The Opportunity

We are seeking a proven, people-centered, progressive leader to be the Manager, Utility Services – Operations. In this role, you will be working with a group of dedicated people to help shape the Regional District's future and make a significant contribution.

Under the general direction of the General Manager of Infrastructure Services, the Manager, Utility Services – Operations is responsible for the overall leadership and supervision of operations and stewardship within Utility Services, ensuring the ongoing management and coordination of all water and wastewater assets, stewardship programs, and strategic long-range plans and policies. This position oversees the implementation and coordination of operations and stewardship activities in accordance with the annual operating budget and local, Provincial and Federal bylaws, policies, statutory requirements.

What We Offer

The SCRD provides a competitive compensation and benefits package that includes:

- **Salary:** \$129,467 up to a merit maximum of \$164,423
- **Comprehensive Benefits:** Vacation, paid statutory holidays, family responsibility leave, sick leave, and compensatory leave
- **Relocation Allowance:** Relocation expenses may be available for qualified applicants
- **Security and Support:** Group life insurance, AD&D coverage, short- and long-term disability
- **Pension:** Participation in the Municipal Pension Plan (MPP)
- **Wellbeing:** Access to free, confidential counselling and wellness supports
- **Professional Development:** Support for continuous learning and leadership growth.

The Community

Bordered by rugged mountains and blue ocean waters, situated on a peninsula (not an island) in the territories of the shíshálh (Sechelt) and Skwxwú7mesh (Squamish) First Nations, this is the incredible Sunshine Coast. A natural paradise blessed with mild winters and beautiful surroundings, we offer all the best aspects of outdoor adventure, arts, and culture. Whatever hobby or interest you might enjoy, you'll find it here, along with a wide variety of recreational activities right at your doorstep. Big city life is only a short 40-minute ferry ride away. This preferred tourist destination is a great place to live and play. To learn more please visit [Sunshine Coast Regional District](#), [shíshálh Nation](#) and [Skwxwú7mesh Nation](#).

Who You Are

You have demonstrated leadership abilities; you value a team approach and can build and maintain effective working relationships. You are recognized for your positive local government contributions and are a catalyst for continuous positive change.

You have a bachelor's degree in Engineering, Natural Resource Management, or other relevant technical fields, ideally supplemented by technical courses in water resource management and civil engineering. You also bring five or more years of related experience in water and wastewater operations, with three (3) years' supervisory experience, preferably with some in local or regional government.

Ready to Make a Difference?

We look forward to hearing from you! Please send a current resume and a cover letter quoting the competition number via email to hr@scrd.ca by the closing date and time shown above. In the subject line of the email please include your name and the competition number.

The SCRD is committed to equitable access to employment opportunities. We value a diverse workforce to best represent the communities we serve, and we thank all applicants in advance for your interest.

Applications will be accepted until Tuesday, October 6, 2026.
