

Engineering Design Technician I (Permanent, Full-Time) - 2019

Close Date

October 21, 2026

At the City of Kamloops, we believe in progressive and barrier-free recruitment for everybody every day. This means employment opportunities for all in a safe, inclusive and diverse workplace. We know our city is stronger when we hire qualified individuals from different backgrounds with diverse experiences, cultures and perspectives.

We are focused on creating the highest levels of service excellence, based on an organization-wide community culture that celebrates our employees who make it all happen. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience. This is Kamloops!

Let's make Kamloops shine! Join our team today.

Position Overview

The City of Kamloops is looking for a highly skilled **permanent, full-time Engineering Design Technician I** who is proficient in using AutoCAD and Autodesk Civil 3D design software to complete complex municipal design and drafting projects. Your projects will revolve around designs such as roads/sidewalks/multi-use paths/roundabouts, water/sanitation mains and storm drainage featuring green infrastructure. We are looking for a well-organized, motivated individual who has a high degree of visual and mental concentration.

If you share in our corporate values of resiliency, purpose, trust, inclusivity, health conscious, and cooperation, and are interested in contributing to the development of our community in a meaningful way, then the Engineering Design Technician I position will be the position for you!

The successful candidate must have the following qualifications:

1. Completion of a two-year Computer Aided Design and Drafting program OR a Diploma in Civil Engineering.
2. Minimum six (6) months' previous experience in municipal design using AutoCAD and AutoCAD Civil 3D-based civil design software (with an emphasis on water, sanitary, drainage and roads).
3. Registered as a Trainee, Certified Technician (CTech), or Applied Science Technologist (AScT) with the Applied Science Technologists and Technicians of British Columbia (ASTTBC).
4. Valid Class 5 BC Driver's Licence or equivalent.

This is a unionized position with CUPE Local 900; check out our [Collective Agreement \(2024 - 2025\)](#) for full details (ratified 2026 Collective Agreement coming soon). As this is a unionized position, all qualifications must be met in order to be shortlisted for the position.

Hourly Rate

\$41.190

Hours & Days of Work

Monday - Friday 8:00 AM - 4:00 PM (summer)

8:30 AM - 4:30 PM (winter)

With the ability to apply for a modified schedule (8:00 AM - 4:30 PM) allowing for one day off every third week.

Hours per Week

35

Please note if you need assistance or have individual needs or requirements throughout the application process, contact the Human Resources Department by telephone, email hr@kamloops.ca or in person at 6-510 Lorne Street so we can better support you.

External job postings are open to everyone. We are an equal opportunity employer and thank all applicants for their interest. Please be sure to review the application requirements of each job you apply for. Only those selected to participate in the recruitment process will be contacted.

Applications are accepted online at kamloops.ca/careers.
